

Flat Tire On Freeway Dangerous

Do you know what to do if you have a flat tire while driving on a freeway?
"Don't just stop and change that tire," Captain P. J. Ford of the California Highway Patrol said today. "If you do, you may place yourself in great danger and may even cause other accidents."

"The proper procedure to follow is to move your car to a place of safety before stopping. This may mean ruining a tire, but it may also mean saving your life."

"The shoulder of the freeway, if there is one, usually is a safe stopping place, but if there is no shoulder you should leave the freeway before stopping. It is highly dangerous to stop in the center divider strip because it is too close to the high speed lane for safety."

The Patrol commander noted that the same procedure applies in the event of an accident and the car is still capable of being driven. Leaving a car in the flow of traffic after an accident creates congestion and, as every patrolman knows, congestion creates accidents.

VOLUNTEERS CALL

Welcome your volunteer "Citizen of Hope" with a generous donation for the City of Hope on Hope Sunday, June 4.

GETS CERTIFICATE . . . G. A. Freeman (left), of 4704 Towers St., receives a certificate from R. N. Sarver, superintendent of steam maintenance for Southern California Edison Co. as he graduates from the utility's operator training school. Freeman is assistant control operator at the Redondo Steam Station. Two Redondo Beach residents — George E. Rose of 2617 Rockefeller Lane and John C. Schoenauer of 2021 Mathews St. — also graduated from the school.

Copyright Act Draws Most Mail

Pending revisions in the nation's copyright laws drew the heaviest mail to his office during March, Congressman Alphonzo Bell (R-Los Angeles) said today.

Letters urging him to support the copyright revision topped a list of 10 topics which drew heavy mail during the month, Bell reported.

- Express concern over present inequities in the draft.
- Support House decision not to seat Adam Clayton Powell.
- Urge federal assistance in combating air and water pollution.
- Advocate legislation to control the sale of firearms.
- Support passage of Post Office employees' pay raise bill.

At Seminar

Marie Whitacre of the Torrance-Lomita Board of Realtors attended the 24th annual seminar of Real Estate Board of Administration, conducted by the National Association of Real Estate Boards, in Albuquerque, N. M.

First Stock Brokerage Announces Del Amo Move

Bateman Eichler, Hill Richards, Inc. is the first stock brokerage firm to announce that it will be a tenant in Del Amo Financial Center, multi-million dollar office building complex being constructed here at Hawthorne Boulevard and Carson Street.

According to Robert C. Hill, president, the move to Del Amo will be a relocation of the company's Redondo Beach office and an expansion of facilities. The firm will occupy 3,600 square feet at the southwest corner of the plaza level of the 13-story Union Bank Building. Richard M. Allen and Stephen Brixey Jr., vice presidents and co-managers of the Redondo branch, will be in charge of the new office.

Bateman Eichler, Hill Richards, a member of the New York Stock Exchange and other leading exchanges, is headquartered at Fifth and Spring Sts., Los Angeles. It has 14 branches in California from San Diego to San Francisco. The company was founded in 1931 and the present name resulted from a consolidation of Bateman, Eichler & Bingham, Inc. and Hill Richards, Inc. last year.

The new Del Amo office is expected to be in operation in early July when the Union Bank building will be completed.

Other major tenants for the financial center include United California Bank and Western Federal Savings & Loan. More than 300,000 square feet of office space will be available when the center opens. When fully developed, Del Amo Financial Center will have over one million square feet of office space and a like amount of garage parking, and will represent an investment of \$30 million.

Owners of the center are Great Lakes Properties, Inc. and Guilford Glazer & Associates.

Baccalaureate Service Scheduled at College

Baccalaureate services for the 1967 graduating class at El Camino College will be held in the Men's Gym Sunday from 7:30 to 8:30 p.m.

The Rev. Clifford L. Tierney, for 16 years the pastor of the South Bay Church of God in Torrance, will present the baccalaureate address to the graduates and their families.

An alumnus of Pepperdine College and Arlington College, the Rev. Mr. Tierney was ordained as a minister of the Church of God in 1951, the same year he became pastor of his present church. He is a member of the Lawndale Rotary Club and serves as a trustee of Arlington College. He is also chairman of the Bay Area Sunday School Institute.

The Rev. Tierney's topic will be "This Changing World—and You!"

Also taking part in the services will be the El Camino Concert Choir.

Graduation exercises will be held June 16 at 4 p.m. in Murdock Stadium.

Freeway Link To Bridge Set

Capitol News Service

SACRAMENTO—The California toll bridge authority has authorized refinancing of the Vincent Thomas bridge to Terminal Island to provide \$10 million for a freeway link from the bridge to the Harbor Freeway.

Construction of the 1.5-mile freeway link was expected to begin this fall. Traffic on the bridge has increased far above earlier estimates, making it possible for an increased bond issue for financing the freeway link.
